There is a flat \$250 administration fee for all TAFE VET courses. While the cost of these courses varies significantly (from \$1,500 – \$2,500) depending upon the nature of the course, apart from the \$250 administration fee, in 2009 these fees will be fully subsidised by Commonwealth Government funding through the Catholic Education Office..

The cost of TAFE VET courses may change without notice if funding arrangements change.

### Please note

1. The College has BPay, credit card and EFTPOS facilities to allow greater convenience in the payment of fees. We encourage the spreading of fee payments across the year to make budgeting easier for families.
2. Students whose families are receiving fee reductions or are not up to date with fee payments are not permitted to attend or participate in non-compulsory activities, events and excursions for which there is a payment.
3. The College Leadership Team has approved these fees.
